About This Content

The PRR T1 'A Fleet of Modernism' DLC Pack recreates the striking image of these shark nosed behemoths in their days of speeding the 'Fleet of Modernism' cars to their destination on trains such as 'The Broadway Limited' and 'The General'. Step into the cab and take charge of these mighty horses, relax in the comfort of your roomette, or enjoy the view from the observation lounge.

Key Features

- T1 Prototype Series Locomotives 6110 and 6111 with individual details.
- T1 Production Series Locomotives 5500 - 5549 as delivered.
- Locomotives feature scripted retractable couplers and hoses, scripted marker lamps, scripted road and builder's plate numbers, all the latest smoke and sound features plus a custom cab interior.
- B70 Baggage
- #6051 - 6054
- PS18 'City Series' Roomette Sleeper
- POS21A 'View Series' Observation Lounge

-
- Federal View
 - Metropolitan View
 - Skyline View
 - Washington View
 - Coaches feature scripted hoses, scripted interior lights and marker lamps, scripted names / numbers, and passenger views.
